IN THE MATTER OF RESOLUTION (R-237-2015) PROVIDING FOR THE CONTINUED COLLECTION OF FUNDS FOR FUTURE WASTEWATER SYSTEM (VILLAGE OF PITTSBURG, OH)

The Board of County Commissioners of Darke County, Ohio met in regular session on the 14th day of September, 2016 at the office of the Darke County Commissioners.

Mr. Rhoades moved the passage of the following resolution:

WHEREAS, The Village of Pittsburg has constructed of a wastewater treatment and collection system to serve the residents of the Village due to failing septic systems; and,

WHEREAS, The County has several lots that would be benefitted by the Village's wastewater treatment and collection system due to failing septic systems;

WHEREAS, The Village has been approved for grant and loan funding to pay for the construction of a collection and treatment system for the Village but must have funds for the project to move forward; and

WHEREAS, The County Commissioners must continue the existing surcharge fund to pay for the County's share of the improvements and leverage these monies against said funding sources;

NOW THEREFORE BE IT RESOLVED by the County Commissioners, Darke County, Ohio as follows:

- Section 1: In order to pay for the construction of a collection and treatment system for the County's residents who will be connected to the wastewater treatment and collection system, there shall continue to be a charge per month per inhabited structure (inhabited structure being defined as a structure having an installed and operable electric meter), commercial unit, inhabited unit (being a rental unit having an electric meter) and church, in the sum of \$35.00 per month for the ensuing year, calendar year 2016. Should additional funds for construction be required, those charges shall be determined on a yearly basis.
- Section 2: The charge shall be collected from the owner of each structure named in Section 1 which is to be serviced by the Pittsburg wastewater treatment and collection system and which will benefit from the sewer project.
- Section 3: The charge shall be levied and collected against structures that are newly constructed during the pendency of this sewer project from the effective date of this resolution through the date on which the structure connects to the project or the date upon which the system is complete whichever occurs first. This will enable the County to collect an equivalent amount toward the project from the owners of newly constructed structures as it collects from the owners of the structures in place at the inception of the project.
- Section 4: The Darke County Commissioners shall make an agreement with the Darke County Auditor to prepare the list of properties which are subject to the within Resolution in order that the Auditor may bill and administer these charges, as part of the tax duplicates for such properties.
- Section 5: Any property owners who do not pay the charged amount as required will have the unpaid charges levied against their real estate tax duplicate, with penalties.
- Section 6: Once the wastewater system has been constructed, the monthly construction charge herein described will end, at which time the appropriate sewer rates will be charged by the County for the repayment of the debt and for operation and maintenance of the system.

WHEREAS, this board is authorized by Ohio Revised Code Section 6117.02 to fix the rates and charges for sanitary facilities;

NOW, THEREFORE BE IT RESOLVED, by the County Commissioner of Darke County

IN THE MATTER OF PUBLIC ATTENDEES COMMENTS/QUESTIONS

**Alex Mikos w/TIGER Radio: Had a question on R-230-16 for New Weston-Burkettsville Sewer district. Wanted to know why Mercer Co. does the collection of the sewer fees and why is the unpaid balances be certified to Darke County? The Commissioners explained that that Sewer District is mostly in Mercer Co. and just a few in Darke County so in return they do the billing for the entire district. They cannot certify the unpaid balances in their county, it has to be in Darke County where the property is.
