Portman Staff to Hold Office Hours in Darke County *Constituents Welcome to Share their Thoughts, Concerns*

Washington, D.C. – U.S. Senator Rob Portman’s (R-Ohio) staff will hold office hours in Darke County on Thursday, April 7, 2016. During this time, constituents will have the opportunity to share their thoughts and concerns with a district representative who will provide their feedback to the senator.

“Keeping an open dialogue with constituents is a top priority for me and I encourage people to take advantage of the opportunity to talk to a member of my staff,” said Portman. “I’ve traveled to every county in the state and have found it helpful to hear about the issues that are of primary concern to Ohioans. Listening to constituents enables me to better determine how I can fight for their interests in Washington.”

Portman staff will travel to each county in Ohio to meet with constituents during office hours, connect with local elected officials, and attend community events.
